

Software License Claim Certificate

Dear Customer,

By accessing or using the Cisco products identified below, you agree that your use of such products is governed by the terms and conditions of the Cisco Software License and any applicable supplemental license agreement. To review the terms of the Software License before accessing or using the products, you can find a copy of the Cisco Software License in the Cisco Information Packet that accompanies the products below or online at:

http://www.cisco.com/en/US/docs/general/warranty/English/EU1KEN_.html

To obtain the license authorization key/file, log on to one of the websites listed below, and follow the registration instructions. The Product Authorization Key (PAK) number found below is required for the registration process. After registering, retain this document for future reference.

Registration Information

Use this website if you are registered user of Cisco.com:

<http://www.cisco.com/go/license>

You should receive the license authorization key/file and installation instructions through e-mail within one hour of registration. If you experience problems with the registration websites or if you have additional questions, for a prompt response, please open a Service Request using the TAC Service Request Tool at <http://tools.cisco.com/ServiceRequestTool/create/DefineProblem.do>.

Please have your valid Cisco user ID and password available. As an alternative you may also call one of the following numbers:
